[Springer Nature](#)

The screenshot displays the Springer website interface. At the top, the Springer logo is accompanied by the text "Springer.com is changing". Navigation links for "Home", "Subjects", "Services", and "About us" are visible, along with "Search" and "Account" options. A secondary navigation bar includes "SpringerLink" and "Shop?".

The "About us" section on the left contains links for "History", "Media", and "Social media". Below this is a featured image of an orange lifebuoy with the text "Julius Springer Charitable Fund e.V." underneath.

The "About Springer" section on the right provides a detailed overview of the company's global scientific, technical, and medical portfolio, its commitment to quality content, and its role as part of Springer Nature. It also mentions other trusted brands like Nature Research, BMC, and Palgrave Macmillan.

A "Tweets by @SpringerNature" section features a tweet from Nature Middle East (@NatureMEast) regarding an expert panel on Arab higher education.

The "More Information" section at the bottom right offers three quick links: "About Springer Nature", "Our Code of Conduct", and "Jobs at Springer", each with a corresponding image.

Content

- 1 238 active full-text journals
- Access to archive back to 1997
- Subject areas: Medicine and Public Health, Life Sciences, Biomedicine, Chemistry, Physics, Dentistry, Pharmacy and more
- Available to search, read online or download, share, set alerts, etc.: [SpringerLink Journals](#)

Access

- Access available via University campus IPs.
- Once you create a personal account on the platform while accessing it through the University network, you will be able to sign in from any other network.
- Remote access also available: [request remote access](#) via proxy, if outside the University campus network.

First steps

The image shows a screenshot of the SpringerLink website interface with several callout boxes pointing to specific features:

- Sign-in (see next slide)**: Points to the "Sign up / Log in" link in the top right corner.
- Browse in English or German**: Points to the "English" language selection dropdown in the top right corner.
- Responsive search function**: Points to the search bar at the top of the page.
- Browse content by discipline**: Points to the "Browse by discipline" sidebar menu on the left, which lists various fields of study such as Biomedicine, Chemistry, and Medicine & Public Health.
- 'Recent Activity' shows the content accessed by users on SpringerLink**: Points to the "Recent Activity" section, which displays a list of recently accessed documents with details like title and date.
- Highlighted content**: Points to a promotional banner for "New books and journals are available every day" featuring book covers like "Cancer & Metabolism" and "Next Generation Information Processing System".

The website header includes the SpringerLink logo, a search bar, and navigation links for "Home", "Books A-Z", "Journals A-Z", "Videos", and "Librarians". The main content area features a large heading: "Providing researchers with access to millions of scientific documents from journals, books, series, protocols, reference works and proceedings."
